

The background of the image is a close-up of a marble tile. The tile features a dark, possibly black or dark grey, interlocking geometric pattern that resembles a stylized quatrefoil or a series of overlapping circles. The marble itself is a light, off-white or cream color with subtle, natural veining and some small, darker spots. The lighting is soft, highlighting the texture of the marble and the depth of the dark pattern.

ANTIQUE MIRROR
COLLECTION

MARBLE SYSTEMS™

The background of the entire page is a detailed, high-resolution image of a marbled surface. It features a complex pattern of swirling, organic shapes in various shades of gray, from light and airy to dark and dense, creating a rich, textured appearance.

ANTIQUE MIRROR

COLLECTION

Venetian glassmakers introduced the process of making mirrors out of plate in the early 16th century.

Marble Systems has taken this classic antiquing process and created a rich, artfully aged collection of patterns and field delivering an old world look with new world style.

Suitable for interior wall use. Our Antique Mirror Collection is available in field sizes of; 3x6 beveled brick, 3x6 and 12x24. Our special order Water jet patterns in; Fan, Picket and Helena.
