

# RIVA DEL MAR

GLASS COLLECTION

THE RIVA DEL MAR WILL TRULY TRANSFORM YOUR ENVIRONMENT INTO A COLORFUL NATURAL PLACE.

Born from the rich, organic colors identified in Agate, Tiger Eye, Malachite and Sea Glass, Riva Del Mar takes inspiration found in the riverbeds of the amazon and the beaches of Bali. Apart from their highpolish, wet-look or soft honed aesthetic, these stones are created from 35% recycled materials and come in 8 varying hues. Sold by the square foot, these face-mounted glass stones retain their brilliance and unrivaled color indoors or out. Excellent for wet environments with antimicrobial qualities, Riva Del Mar adds a fresh textural element to your space.
