MOSAIC COLLECTION

THE NATURAL WAY TO EXPRESS CREATIVITY AND INDIVIDUALITY

River Stone Series is reminiscent of the weathered and worn stones in a river or stream. The art of mosaics further enhances this unique design element in these neutral accent colors. The mosaics are designed to be interlocking to continue the natural flow.

These mosaics can be used for floors, walls, showers, countertops and backsplashes in both residential and commercial applications. The sheets come in a 12" x 12" size for easy installation.

Use your imagination and creativity to add a unique and intriguing statement to your home or place of work. Go with the natural flow of design and imagination.
